To All at the Penn Street Cricket Club,

It is with extreme gratitude that we acknowledge the contribution of Rs. 1,977,288.95 towards purchasing Essential School Supplies for the 2018 school year, in support of the education of children from remote and poverty stricken backgrounds who do not have the financial means to purchase the items necessary to complete their schooling.

What an extraordinary achievement for such a worthy cause especially to provide school packs to kids from rural disadvantaged communities to attend school free of worry!

You will be pleased to know that over the last 14 years this pet project of ours has distributed over 27,000 school packs and the FoG ESSP delivery now reaches students all across Sri Lanka from the North, South, East and West.

The time is opportune and most relevant to empower kids who are our greatest hope for the future and often stand on the brink of dropping out of school without completing their education. With your help they can now work towards a better life and escape the cycle of poverty.

The joy in receiving such a gift cannot be expressed in words but can be seen in the beaming smiles on their faces to whom such supplies are a form of luxury. Through your help we are able to provide these children with continuous educational support thus developing their knowledge and skills despite originating from disadvantaged communities.

Thank you for the compassion and concern you have shown and for supporting our cause in enriching humanity

"Seeking happiness for others we find it ourselves"

May this exceptional deed take the Penn Street Cricket Club from happiness to happiness and much greater heights of success!

Kindest regards,

FOUNDATION OF GOODNESS
